Preserving Our Past and our Future

Known for reshaping surf culture and dominating premier surf contests, the Windansea Surf Club (WSC) was formed by Mike Hynson, Chuck Hasley and Thor Svenson in 1963 to field a dream team to compete in the Malibu Invitational.

In 1965 the club was re-organized as a 501(c)(3) non-profit organization for the purpose of preserving Windansea's past, increasing and improving local and global awareness of surfers and surfing as a culture and a sport.

Thanks to the efforts of WSC member, Fernando Aguirre, surfing is now an Olympic Sport and will be part of the 2020 summer games to be held in Japan.

WINDANSEA SURF CLUB

Thriving Tribe... with a Big Heart

Today, the Club has an active roster of 250 members spanning the globe from California, Mexico, Hawaii, Australia, Brasil, Argentina and Fiji who continue the tradition of surfing excellence, community service and development of young surfers.

Protect, Surf & Service since 1963

Supporting Our Youth

Menehune - Junior Surf Contest

Since 1965 Windansea Surf Club has hosted the premier surf contest for kids at La Jolla Shores. This event gives young surfers an opportunity to experience competitive surfing and meet other surfers.

Junior club members help with all aspects of planning the contest - from creating artwork for the programs to making awards and seeking sponsors.

Over the years many club members were recruited at this world famous contest and honed their skills representing the club.

Serving Our Community

Kids Day at the Beach

Annual event benefiting children residing at the St. Vincent de Paul homeless shelter.

Special Surfers Day at the Beach

Annual event for challenged athletes from around the country.

See website for supported causes

Become a Sponsor

Today the club partners with like-minded organizations, companies and individuals who share our vision to produce outstanding events and programs that benefit the community.

Become a club sponsor and be a part of our family. Sponsors are featured on our website, programs, t-shirts, at our events and on our social media feeds.

Protecting Our Coast

Through Science, Technology & Activism

Project Pegasus

The WindanSea Surf Club Juniors took an active role in a collaborative research project to build and use an underwater ROV for a suite of projects related to coastal ecology and bathymetry in Southern California.

Environmental Activism

The club partners with like-minded organizations to keep our beloved Windansea Beach, coastline, and oceans beautiful and pristine.

Members organize and volunteer regularly with beach clean-ups, beach maintenance projects & campaigns to raise awareness for clean ocean water.
